111.70 (1) (dm) "Economic issue" means any issue that creates a new or increased financial liability upon the municipal employer, including salaries, overtime pay, sick leave, payments in lieu of sick leave usage, vacations, clothing allowances in excess of the actual cost of clothing, length-of-service credit, continuing education credit, shift premium pay, longevity pay, extra duty pay, performance bonuses, health insurance, life insurance, dental insurance, disability insurance, vision insurance, long-term care insurance, worker's compensation and unemployment insurance, social security benefits, vacation pay, holiday pay, lead worker pay, temporary assignment pay, retirement contributions, supplemental retirement benefits, severance or other separation pay, hazardous duty pay, certification or license payment, job security provisions, limitations on layoffs that create a new or increased financial liability on the employer and contracting or subcontracting of work that would otherwise be performed by municipal employees in the collective bargaining unit with which there is a labor dispute.

111.70 (1) (j) "Municipal employer" means any city, county, village, town, metropolitan sewerage district, school district, family care district or any other political

subdivision of the state ~~which that~~ engages the services of an employee and includes any person acting on behalf of a municipal employer within the scope of the person's authority, express or implied.

**SECTION 2035m.** 111.70 (1) (nc) 1. c. of the statutes is amended to read:

111.70 (1) (nc) 1. c. A proposal to provide for an average salary increase for each 12-month period covered by the proposed collective bargaining agreement, beginning with the expiration date of any previous collective bargaining agreement, for the municipal employees in the collective bargaining unit at least equivalent to an average cost of 2.1% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for each 12-month period covered by the proposed collective bargaining agreement plus any fringe benefit savings, beginning with the expiration date of any previous collective bargaining agreement, including that percentage required to provide for any step increase ~~and any increase due to a promotion or the attainment of increased professional qualifications,~~ as determined under sub. (4) (cm) 8s., unless the increased cost of providing such a salary increase, as determined under sub. (4) (cm) 8s., exceeds 2.1% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for any 12-month period covered by the proposed collective bargaining agreement plus any fringe benefit savings, or unless the increased cost required to maintain the percentage contribution by the municipal employer to the municipal employees' existing fringe benefit costs and to maintain all fringe benefits provided to the municipal employees, as determined under sub. (4) (cm) 8s., in addition to the increased cost of providing such a salary increase, exceeds 3.8% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for any 12-month period covered by the collective bargaining agreement, in which case the offer shall include provision for a salary increase for each such period for the municipal employees covered by the agreement at least equivalent to an average of that percentage, if any, for each such period of the prorated portion of 2.1% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit plus any fringe benefit savings that remains, if any, after the increased cost of such maintenance exceeding 1.7% of the total compensation and fringe benefit costs for all municipal employees in the collective bargaining unit for each 12-month period and the cost of a salary increase of at least one full step for each municipal employee in the collective bargaining unit who is eligible for a within range salary increase for each 12-month period is subtracted from that total cost.

**SECTION 2036m.** 111.70 (4) (cm) 5s. of the statutes is amended to read:

111.70 (4) (cm) 5s. 'Issues subject to arbitration.' In a collective bargaining unit consisting of school district professional employees, the municipal employer or the labor organization may petition the commission to determine whether the municipal employer has submitted a qualified economic offer. The commission shall appoint an investigator for that purpose. If the investigator finds that the municipal employer has submitted a qualified economic offer, the investigator shall determine whether a deadlock exists between the parties with respect to all economic issues. If the municipal employer submits a qualified economic offer applicable to any period beginning on or after July 1, 1993, no economic issues are subject to interest arbitration under subd. 6. for that period, except that only the impact of contracting out or subcontracting work that would otherwise be performed by municipal employees in the collective bargaining unit is subject to interest arbitration under subd. 6. In such a collective bargaining unit, economic issues concerning the wages, hours or conditions of employment of the school district professional employees in the unit for any period prior to July 1, 1993, are subject to interest arbitration under subd. 6. for that period. In such a collective bargaining unit, noneconomic issues applicable to any period on or after July 1, 1993, are subject to interest arbitration after the parties have reached agreement and stipulate to agreement on all economic issues concerning the wages, hours or conditions of employment of the school district professional employees in the unit for that period. In such a collective bargaining unit, if the commission's investigator finds that the municipal employer has submitted a qualified economic offer and that a deadlock exists between the parties with respect to all economic issues, the municipal employer may implement the qualified economic offer. On the 90th day prior to expiration of the period included within the qualified economic offer, if no agreement exists on that day, the parties are deemed to have stipulated to the inclusion in a new or revised collective bargaining agreement of all provisions of any predecessor collective bargaining agreement concerning economic issues, or of all provisions of any existing collective bargaining agreement concerning economic issues if the parties have reopened negotiations under an existing agreement, as modified by the terms of the qualified economic offer and as otherwise modified by the parties. In such a collective bargaining unit, on and after that 90th day, a municipal employer that refuses to bargain collectively with respect to the terms of that stipulation, applicable to the 90-day period prior to expiration of the period included within the qualified economic offer, does not violate sub. (3) (a) 4. Any such unilateral implementation after August 11, 1993, during the 90-day period prior to expiration of the period included within a qualified economic offer, operates as a full, final and complete settlement of all economic issues between the parties for the period

included within the qualified economic offer. The failure of a labor organization to recognize the validity of such a lawful qualified economic offer does not affect the obligation of the municipal employer to submit economic issues to arbitration under subd. 6.

**SECTION 2037c.** 111.91 (2) (r) of the statutes is created to read:
